

Second dealership for Hindustan Motors-Mitsubishi in Pune, Motorshout, June 14

HM - Mitsubishi have gone on to inaugurate their second dealership in Pune which takes their dealership count to 44. The development sees patronage from Pethkar Motors Pvt. Ltd., and the occasion was graced by Head of Marketing and Channel Development, HM-Mitsubishi Motors, Mr. Yoshiaki Wada.

They are equipped with two state-of-the-art outlets at prime locales, a 3 S (sales, service and spares) facility at Tathawade, and a showroom at ICC Tower in Senapati Bapat Road. This will ensure that the company showcases their full portfolio, which includes the SUV's Pajero, Outlander and Montero, and other beauties like the Cedia, Lancer Evolution X.

The company is certain of offering a value-for-money experience, top class service, and a great product lineup. Pune being an important market for the company, the new dealership plays a key role. The new dealership is ready to take on any challenge and offer the best in service standards. Backed by a trained and experienced tech team, and ample quality accessories and genuine spare parts stock, they strive to offer quick and competent onsite break down service. They look forward to installation of advanced tech like a crash repair system soon.
