

Hindustan Motors Road Show showcases CNG Vehicles, Rush Lane, October 12

A road show is being organized by Hindustan Motors Limited to showcase three of their CNG vehicles. The show which will go on for a whole month will make major pit stops at important cities in states of Maharashtra, Gujarat and Madhya Pradesh before returning via Indore to Pithampur.

Mr. B C Mishra, General Manager – Corporate Affairs of the company flagged off the rally where Mr. Ashish Garg, Head of Pithampur unit and other senior employees were present. Hindustan Motors has organized a number of road shows which have been met with tremendous enthusiasm in the states of West Bengal, Assam, Orissa Tamil Nadu and Puducherry.

The current road show is organized to bring into focus various CNG powered vehicles of HML. Ambassador Discovery, a Winner 1.8 cargo vehicle and a 10 seater commercial vehicle, all BS4 compliant will be on display.

Mr. Manoj Jha, Managing Director of Hindustan Motors Ltd. said that customer satisfaction along with preservation of the environment was the ultimate goal of the company. Usage of CNG and LPG fuels in vehicles were being showcased so as to contribute to preserve and protect the environment. The need for vehicles that run on alternate vehicles is fast increasing in India where cost of petrol has been spiraling upwards steadily.
