Ambassador: World's Best Taxi

India's virtually indestructible Hindustan Ambassador car has won the crown for the world's best taxi at the Beaulieu's World of *Top Gear* motorsport show. Top Gear's executive director Richard Hammond organised a world taxi shootout to find which car could claim the crown as the world's best taxi. And, the winner was India's Hindustan Ambassador. This machine started life in Britain as the Morris Oxford, but, with a quick name change, it went on to become one of India's most enduring vehicles. – ANI
