

Ambassador Car Pre-Monsoon Check-Up Camp to take place from June 7 to 9 across all dealerships in the country - Motorshout, June 06

The iconic Ambassador with its bulging beefy body may have been forgotten by many, but for many car enthusiasts it is a symbol of sheer class that came out of India. Truly, a car you can call Indian, the Ambassador has a laidback charm like no other.

To ensure Ambassador Car owners have a hassle free ride during the monsoons, Hindustan Motors Ltd is offering a Pre-Monsoon Check-up from June 7th to June 9th across all HM dealerships across the country. The camp will cover various aspects such as vehicle condition, general assessment, underbody check-ups and electrical inspection.

And no, you don't have to spend a Rupee, all this is being offered free of cost. Hindustan Motors Ltd is offering discounted rates on labor and spare parts during the camp. Further Ambassador Car owners can also avail of discounted prices if they bring in their vehicles for servicing latest by June 30th. This pre-monsoon check- up camp is indeed a thoughtful gesture by Hindustan Motors to its customers for making the Ambassador what it is, a true icon.
