

Classic Ambassador Cars Now Available for Rally of Rajasthan, H&H Classic Rallies, October 28

Compete in the ultimate Indian way, in a classic Hindustan Ambassador

We are delighted to announce that we have a small number of the classic Indian Hindustan Ambassadors available on a first come first served basis for the 2012 Rally of Rajasthan (Feb 23rd to March 13th).

With just a damage waiver to pay over and above the entry fee it makes the iconic Ambi, as it's known in India, a bargain rally car for this event. Known for its strength and ruggedness, the Ambi is a natural choice for those without their own Classic to take on this event.

Starting on the southern side of Delhi at the fabulous Oberoi Hotel, this event is a combination of a competitive time trial and a touring event, offering true luxury combined with true adventure. And now with the Ambi you can experience India in an authentic style.

The rally scrambles its way round 2,600kms of amazing countryside, time trials, hotels, historic sites, heat, dust and adventure, before finishing back in Delhi. With history oozing out of every pore across the ancient landscape of the Mughals and the Raj, this is an unmissable adventure of epic proportions.

Sporting stages abound for those wanting competition. There are daily challenges, including runs through the desert, in the hills and over the plains. This event combines competitive stages with a chance to visit historic forts, fantastic palaces, exotic temples as well as only remaining wonder of the world, the Taj Mahal.
