

Hindustan Motors to Launch Ambassador Diesel BS4 by June end- Official, 24dunia, May 25

India, now the same has been officially confirmed by the company itself. HM has also confirmed that the BS IV diesel Ambassador will be launched in the market with a new name by June end. CK Birla Group owned Hindustan Motors' official has today displayed 1.5-litre BS IV diesel-driven Ambassadors in different configurations to office-bearers of Kolkata's different taxi associations at the company's...
