

Hindustan Motors' Mitsubishi dealership in Bangalore is company's 41st in India, Motorshout, November 25

Mitsubishi's customers have a reason to cheer as Hindustan Motor Ltd launched the 41st dealership in metropolitan city Bangalore. The Pajero Sport is available without a long waiting period as the company has started local assembly of these CKD kits. Assembly for these CKD kits will be carried out at Chennai and go onto keep the Pajero Sport price in check with price reduction of Rs. 1.87 lakh. The SUV is available at a price of Rs. 22.56 lakhs (ex-showroom Delhi).

This dealership opened at Richmond Road, has been given full fledged status of a 3S facility. Launch of this dealership will make it easy for localities to purchase outstanding SUV models from Mitsubishi's range which includes vehicles like the Outlander, Pajero Sport and Montero. This dealership is spread over an area of 2800 sq feet; its service workshop is spread over 15,500 sq feet in the Muniswamappa Industrial Area. 35 vehicles can be worked upon at this facility which has 17 bays and 48 employees. To provide a total package of sales, service, and spares, there is also a 1500 sq feet area which is dedicated for procurement of spare parts.

The Pajero Sport has been designed in such a way so as to exude qualities of a SUV as also a sedan where required. Terrain like slushy roads, rocks, icy slopes and sandy routes

don't affect ride quality, just like driving through traffic nongested stretches in an urban area isn't a problem. Superior Japanese technology coupled with awesome design make it possible for these vehicles to navigate a range of terrains and conditions with ease as also prove their mettle in urban traffic scenarios.
