

Hindustan Motors Introduces Updated Mitsubishi Montero, Carzy, April 17

Hindustan Motors Limited yesterday introduced the country with its all-new updated variant of very popular SUV Mitsubishi Montero. All-new version comes engrafted with bunch of great features, new designing and classy aura as a rugged vehicle.

Extremely strong and sturdy SUV, Mitsubishi Montero now comes with value added advance specifications such as fresh sinewy colored key front bumper, new chrome radiator grille, newly polished power window panel and new stitch design on leather seats. Even the designing and pattern of the vehicle is enhanced, offering it a young dynamism of the lavish quality.

The glory of the magnificent Montero is further exalted with the newly introduced interior illumination color, making it appear all the more refreshing. The SUV Mitsubishi Montero is available in three major shades comprising of solid white, black mica and cool silver metallic. The vehicle steals its power from a 3,200cc DOHC diesel engine coming with an intercooler and a turbocharger, delivering a fine powerful output of 202PS @ 3,800rpm and 441Nm of torque @ 2,000rpm.

Mitsubishi is quite keen to make a mark in the country with its awesome product line and after unveiling Pajero Sport, Outlander 2012, it is Montero that will utter a new hope for the Hindustan Motors Limited.
