Hindustan Motors Veer launched in India for Rs 3.3 lakhs, RushLane, August 08

Earlier today in Kolkata, Hindustan Motors Ltd. launched their new SCV – Small Commercial Vehicle, Veer with an ex-showroom price tag of Rs 3.3 lakhs. HM Veer SCV has a payload capacity of 800 kgs and is available in both, CNG and diesel variants. The diesel Veer is BSIII compliant while the CNG variant is BSIV compliant.

Veer is built on the same platform as HM Ambassador passenger car. Available in 2 models, Veer and Veer LX, the only difference is the way load tray is integrated with the main body. Mr Manoj Jha, MD, HM, said, "We have honoured our commitment by launching VEER. More new vehicles will follow suit. These will come both from our Uttarpara plant in West Bengal, where we manufacture the iconic Ambassador and other vehicles, and our Chennai facility where we

build the Mitsubishi range of vehicles. Our bouquet of offerings is set to expand at a fast pace due to our reinforced emphasis on new product development."

HM India plans to launch Veer in East India at first and gradually the SCV will be launched in remaining Indian cities by this yearend.
