

## **HM Mitsubishi Cedia Select launched at Rs 8.9 lakh, Carzy, July 11**

Hindustan Motors and Mitsubishi have unleashed their splendid Cedia Select sedan today at a starting price of Rs 8.9 lakh (ex-showroom New Delhi). Focusing on the communication-on-the-move criteria this time, the all new Mitsubishi Cedia Select comes loaded with features like 7-inch Mapmyindia android based application through 3G connection thus offering convenience of making phone calls, viewing e-mails, engaging in video chats with rear view facility, watching television, surfing net, playing games and many more.

If this wasn't enough, the all new Mitsubishi Cedia Select offers portable tablet which can be hung on the windscreen or at the back of headrest. Also, it comes equipped with GPS compatible 4-speaker Kenwood DVD player having 6.1 inch touch-screen interface having USB & Bluetooth port. Rear view camera on the Cedia Select offers safe and secure ride.

Powering the charismatic Cedia Select will be rally proven 2.0 liter petrol engine which is capable to churn out max power of 115 PS at 5250 rpm along with peak torque of 175 Nm at 4250 rpm. Cedia interiors boast of three spoke adjustable steering, oyster leather seats, dual tone interiors, beige floor mats, room lamp, AC with climate control, etc while exterior beauty includes high intensity clear halogen lamps, two-stage horizontal-slat matte black grill, sporty alloy wheels, etc.

Apart from the comfort factor, Mitsubishi Cedia Select also presents state-of-art safety features which consist of front airbags, child lock and day & night rear view mirrors. The three box car is available in three shades black flash, rally red and white speed.
