

HM launches all new Mitsubishi Cedia Select, Gaadi, July 11

Hindustan Motors Ltd., who handles Mitsubishi's operations in India has launched the all new Cedia Select 2012 with many multimedia features which the company brands as 'communication-on-move'

A huge 7-inch 3G enabled and android based screen has been integrated to the car through which the driver can make calls, watch TV, surf internet, check emails and video chat with front-facing camera. The large screen also has in-built map and real time navigation with GPS.

The feature laden tablet will provide up to seven hours of talk time and can be mounted on the front windscreen or at the back of the headrest of rear passenger. The same can be taken out of the car if required. Cedia Select has 4-speaker Kenwood DVD player which features a 6.1 inch touch enabled display and is GPS compatible with USB and bluetooth connectivity for accessing huge media collections from your mobile phones or hard drives.

Mitsubishi Cedia Select draws power from a 2.0-liter petrol engine which has great rallying history with its name. The engine produces modest power of 115 PS @5250 rpm and 175 Nm @ 4250 rpm of maximum torque.

Cedia Select has elegant and soothing interiors with two-tone beige floor mats, 3-spoke alloys and oyster leather seats. The comfort part is defined by the room lamp, coat hangers, front cup holders, climate control AC, sun-visor with vanity mirror, lid and ticket holder. From the outside, Cedia sits smart on 12-spoke alloy wheels, high-intensity clear lens halogen headlamps and two-stage horizontal-slat matte black grille on front.

Cedia's safety equipments include day and night rear view mirrors, front airbags and child-protection rear door lock . The new Cedia is offered in three vibrant colors namely White Speed, Black Flash and Rally Red. The car carries a sticker price of Rs. 8.90 lakhs (ex-showroom, Delhi)
