

## **Hindustan Motors to launch anniversary edition of 'Pajero Sport',Finalaya, July 18**

Hindustan Motors (HM) which is in a technical collaboration with Mitsubishi Motors to manufacture and retail Mitsubishi vehicles in the country is planning to launch the anniversary edition of its premium SUV 'Pajero Sport'. The new features incorporated in the anniversary variant will include a touch screen audio system with GPS navigation, a rear view camera, a rear spoiler, body colour bumper along with an anniversary edition emblem. HM has entered into a technical collaboration with Japan-based Mitsubishi Motors Corporation in 1998 to manufacture and retail Mitsubishi vehicles. The first product under this partnership was premium sedans Mitsubishi Lancer, Cedia followed by SUVs Montero, Pajero, Outlander, Lancer Evolution X. The Pajero Sport was launched in March 2012. Mitsubishi Pajero Sport is manufactured at the company's Thiruvallur plant near Chennai. Hindustan Motors is India's pioneering automobile manufacturing company manufactures passenger cars, Multi Utility Vehicles and RTV. It also manufactures passenger cars in the mid size premium segment and has brought the Sports Utility Vehicle into the Indian market.
