

## **Hindustan Motors Begins Free 'Pre-Monsoon Check-Up Camp' for Ambassadors – Carzy, June 06**

The monsoons will soon appear by next month and to confront the same flawlessly, Hindustan Motors have launched a free 'Pre-Monsoon Check-Up Camp' for its iconic car model Ambassador. This free camp will be organized across the nation at company's dealerships from 7th to 9th June 2012.

This is a good initiative from Hindustan Motors and the key objective behind this beneficial campaign is to offer Ambassador Owners a hassle-free driving experience in the rainy weather along with lots of fun and joy.

In the free check up camp, iconic car Ambassador will go through in-depth assessment in order to know the complete condition of the car, the battery and the electrical specifications equipped under the vehicle's body. Moreover, if required, labor costs and car components will be available at the camp at a special price only if the vehicle is brought for servicing before 30th June.

Hindustan Motors presently rolls out Ambassador Car model from its manufacturing plant based in Uttarpara, West Bengal. The Hindustan Ambassador – Classic and Grand is available in various options from 1800cc petrol and 2000cc diesel to CNG and LPG.
