

Hindustan Motors introduces Mitsubishi Cedia Select 2012, GoOnWheels, July 12

Hindustan Motors Ltd. has introduced the all new Mitsubishi Cedia Select has introduced the all new Cedia Select 2012 with a host of new features to lure buyers.

The Cedia Select also comes with a 4-speaker Kenwood DVD player with 6.1" touch-screen interface which is GPS compatible and has bluetooth/USB connectivity as well. The rear-view camera, fitted at the back of the vehicle, offers output on the audio unit and, thus, makes driving trouble-free and safe.

The Cedia Select also comes with a 7-inch Mapmyindia android-based carpad via 3G has made making calls, watching TV, surfing net, video-chatting with facility of rear-view and checking e-mails really simple even while travelling. With in-built map and real time navigation system, one will now be able to locate directions and localities with ease.

The 12-volt supply for charging will provide up to seven hours of talk time and the touch screen interface will make playing games a lot of fun. Being portable, the tablet can be mounted either on the windscreen or at the back of the head-rest for the passengers of the rear seat and can also be used outside the vehicle if required.

Under the hood the car is powered by the same 2.0 litre petrol car with 115 PS@5250 rpm power and 175 Nm@ 4250 rpm torque, which has proved its mettle repeatedly in INRC and other rallies. The interiors are now two-tone beige and beige floor mats, sparkling 12-spoke alloy wheels, high-intensity clear lens halogen headlamps and two-stage horizontal-slat matte black grill.

The new Cedia Select 2012 is available in three colours namely white speed, black flash and rally red. It is priced at Rs. 8.90 lakh (ex-showroom New Delhi).
