Hindustan Motors to Double Ambassador Production, WSJ Reports

Nov 18, 2010 5:05 PM GMT+0530

Hindustan Motors Ltd. is to double production of its iconic Ambassador saloon car, based on the 1958 Morris Oxford, the Wall Street Journal reported, citing Hindustan's managing director, Manoj Jha.

The company plans to raise production and sales to about 2,300 vehicles a month, based on four new planned variants, the newspaper said.
