

Mitsubishi Launches the New Pajero Sport Priced at Rs 23.53 Lakh, Burnyourfuel, March 12

Mitsubishi New Pajero Sport has been launched in India for Rs 23.53 lakh (ex-showroom Delhi). Would the new Pajero sport bring life back into the Mitsubishi brand in India ? The new pajero sport is powered by a 2477cc diesel engine mated to a floor operated synchromesh 5 forward, 1 reverse manual transmission. The engine on the new pajero sport produces 178PS and 400 Nm of Torque. Mitsubishi confirms that the new pajero sport has robust build quality, stylish aesthetics and for sure one is guaranteed with versatile driving dynamics and an on demand super 4WD facility. The new pajero sport replaces the legendary predecessor. Mitsubishi has very well kept in mind the ground clearance which is an essential factor during off-roading. The 2012 Mitsubishi Pajero comes with a 215mm ground clearance. From the seating capacity this Pajero is a seven seater. So if you are looking for a comfortable sporty SUV around the Rs 23-25 Lakh range you might want to look at the 2012 Mitsubishi Pajero Sport. The bookings of the new pajero sport open from March 13th. Does the new Pajero and pricing impress you ?

Competitors:

Toyota Fortuner 4X4 Manual: Rs 20.99 lakh (ex-showroom Delhi)
