

## **Mitsubishi vehicles in Indian auto market up for free check up between May 17 to 19, 2012 - Rushlane, May 17**

A free Summer Camp 2012 will be conducted by Hindustan Motors Limited from May 17 to 19, 2012 for the entire range of Mitsubishi vehicles. This free summer service check up is being offered to all Mitsubishi owners so that vehicles can be up to date for the summer months and geared to tackle the monsoon season as well.

Vehicles like the Pajero, Montero, Outlander, Cedia and Lancer will be subjected to a free servicing and customers will be able to get their vehicles washed, batteries checked, vehicle assessed while the vehicle AC will be serviced and engine topped up on all vehicle fluids. All this is being offered free of cost while labor and parts needed will be offered at special discounts as will be car care products and additives needed for a Mitsubishi vehicle.

Hindustan Motors Limited entered into an alliance with Mitsubishi Motors Corporation of Japan in 1988. It is under this license that the company manufactures and markets premium Mitsubishi passenger cars from their plant situated in Triuvallur with their head office in Chennai, Tamil Nadu. The company first produced the Mitsubishi Lancer in 1988 and then the Pajero in 2002 and Cedia in 2006 with Lance Evolution X in 2010. Pajero Sport was recently launched making it the youngest member of the Hindustan Motors Mitsubishi lineup in India.
