

## **Mitsubishi Pajero Sport Spreads India, Ajabs, March 13**

Mitsubishi Pajero Sport successful in Southeast Asia began diniagakan market in India. But Mitsubishi Pajero Sport is still in the ingredients imported from Thailand due to manufacturer Mitsubishi Pajero Sport is actually there in Japan already has assembly plants in the country of the white elephant.

Mitsubishi Pajero Sport assembly in Chennai

In the Land Hindustan Mitsubishi Pajero Sport will compete with the Toyota Fortuner and the Hyundai Santa Fe that have been present beforehand. Seven-passenger SUV is no different from the version in Southeast Asia. There may be slight changes to the interior design of this car.

Mitsubishi Pajero Sport has a 2.5-liter turbodiesel engine-powered 176 hp with peak torque of 140 Nm. Only available in manual transmission, has been equipped with features shift-on-the-fly Super Select 4x4. With safety features dual front airbags and ABS brakes. make it more stable SUV for carrying, and is highly sought after by every society.

At the end of this year, Hindustan Motors Mitsubishi Pajero Sport will doing assembly in Chennai. And Mitsubishi Pajero Sport is expected to price could be cheaper by 20 percent, due to shipping costs will be reduced.
