

## **Mitsubishi to conduct free car check-ups from May 17 to 19, 2012 in Summer Camp 2012 - Cartradebeta, May 16**

Hindustan Motors Ltd. (HML), the partner of Mitsubishi Motors in India, will arrange a three day long free summer check-up camp for the cars offered by the Indo-Japanese alliance in the country. This camp is set to commence on May 17, 2012 and conclude on May 19, 2012 and will be conducted at all official dealerships located across the nation. With this consumer-oriented initiative, the two partners will be able to provide owners of cars like Pajero, Montero, Outlander, Cedia and Lancer an enjoyable driving experience during the summers.

Under this campaign, the HML will conduct AC check-up, refill all vehicle fluids and evaluate the vehicle condition free of cost. The alliance will also carry out a battery check and water wash for the cars sold under the Mitsubishi badge without levying any charges. Moreover, labour as well as components for the cars evaluated in Summer Camp 2012 and brought to company outlets by June 19, 2012 will be offered to the clients at special rates. Additionally, Mitsubishi vehicle owners will also be provided car care products and additives at nominal prices.
