Mitsubishi brings Pajero Sports 'Anniversary' edition with new features, Parda Phash, July 17

New Delhi: The pepping SUV market in India has compelled Mitsubishi Motors to enliven its Pajero Sports model. A latest edition called the 'Anniversary' edition has been launched which comes with several new features.

The new model has been equipped with a touch-screen multimedia system, GPS and a reverse camera. On the outside, it has rendered body colored bumper, mud-guards and a special anniversary edition decal.

Engine-wise, the car remains untouched. It has the same 2.5 litre diesel engine that delivers 178 PS power @ 4000 rpm and 400 Nm of torque at 2000-2500 rpm. The SUV has a Mitsubishi's Super-Select 4WD system which allows the driver to select 4WD and 2WD option.

Pajero Sports has a direct competition in Toyota Fortuner, Ford Endeavor, Hyundai Santa Fe, Renault Koleos and Honda CRV.
