

Now 'Xpress Service' By Mitsubishi Motors, The Automotive India, October 09

On the auspicious eve of Durga Puja, Mitsubishi Motors' Kolkata based dealer (Shah Automobiles) has launched a 120-minute Xpress Service for its customers at its specially face-lifted 12,000-square feet service facility at 173, Laskarhat, Picnic Garden Road. The new setup was inaugurated by Mr. Uttam Bose, Managing Director & CEO of Hindustan Motors. The refurbished in-house body shop with upgraded paint booth will provide best of repair and painting facilities in the city. The spacious spare parts area will, as ever, be offering genuine Mitsubishi parts. The increased and well-trained manpower will now be able to service ten cars a day instead of six.

Speaking on the occasion, Mr. Uttam Bose stated, "We have always tried innovative and effective ways to delight our customers. The revitalized facility will welcome the customers to a furnished lounge where they may relax and enjoy while their vehicle gets overhauled within 120 minutes. The reception area promises to the customer novel experience of inspecting his vehicle even as it is being worked upon. The relaxed customer can then drive back home in a freshly serviced vehicle."
