

£400,000 raised for Adventure Ashram by amazing adventurers, Adventure Ashram, November 01

Motorcyclists on Enduro India and drivers on Karma Enduro have already raised over £400,000 for Adventure Ashram. More intrepid adventurers are already on the road for this year's car rally. 2,000 kilometres over two weeks will challenge Hindustan Ambassadors and their drivers as they negotiate Indian roads through beautiful tea plantations, beside fabulous beaches and into dramatic jungle. A highlight will be the football match when the adventurers take on the team of children from Adventure Ashram's Education Project. Visit projects page for further details of Educating tribal children from Mudumalai Tiger Reserve.
