

## Summer Camp for Mitsubishi cars from May 17 - CarKhabri, May 15

The ruthless summers are all up, to cover the country with their scorching umbrella. And to protect your vehicle at this juncture Hindustan Motors has arranged a 'Free Summer Camp' for its Mitsubishi array of automobiles. The offer of free check up of your vehicle can be availed at any Mitsubishi outlets in India. This service camp will run for three days that is from 17th - 19th May 2012, both days inclusive.

The motive behind this customer relationship program is to let the end-user experience the delight of trouble free driving during these nasty summers. The owners of vehicles like Mitsubishi Montero, Mitsubishi Pajero, Mitsubishi Cedia and Mitsubishi Outlander, Mitsubishi Lancer and recently launched New Mitsubishi Pajero Sports are invited to be a part of this campaign.

The free services that customers will be able to avail consist of assessment of vehicle condition, top-up of all vehicle fluids, air conditioner check-up, water wash and battery check. Moreover, the labours and faulty components will be available at special prices if the vehicle is examined in this camp and is brought for servicing before 19th June 2012. The car care products and additives will be made presented at distinctive prices during this Summer Camp.

Since 1998, India based Hindustan Motors (HM) has a technical alliance with Japanese conglomerate Mitsubishi Motors. With this collaboration HM produces and markets premium Mitsubishi passenger vehicles in the country. HM currently manufactures HM Ambassador Sedan along with HM Winner and HM Veer in commercial vehicle category.
