

Summer Service Camp 2012 announced for Mitsubishi vehicles in India - Vehiclepassion, May 17

Summers are full of summer camps for kids, which help them in preparing for the year ahead and rejuvenating them with lots of energy. Taking a leaf from this, Hindustan Motors have decided upon a summer camp, named summer free service check-up camp. No kids allowed here, unless they are on one of the vehicles belonging to Mitsubishi range.

From May 17th to 19th one can take his Mitsubishi and get a free service check up at dealerships all over the country. Main aim of this camp is to make the vehicles fit and ready to face the summer ahead. All the Mitsubishi range of vehicles including Montero, Outlander, Cedia and Lancer can take part in the camp and get toned to face the heavy summer conditions. Also this gesture let's customers know that they are being taken care of.

The check-up will include AC check-up, refill of the entire vehicle fluids, total assessment of the condition of vehicle, battery check and water wash. All these services free of cot. A vehicle inspected during the summer camp if needs proper care it can be done at special labor and parts price, but only if the vehicle is brought before June 19.

This summer camp by Mitsubishi reflects their dedication towards serving the customers well and will definitely project the company in a better way.
