

Upgraded Mitsubishi Cedia, AutocarIndia, July 12

Mitsubishi has launched the 2012 Cedia saloon. The new Cedia gets added features.

It now comes with a portable seven-inch Mapmyindia android-based 3G tablet with in-built maps and a real-time navigation system. Also, the audio system now comes with Bluetooth/USB connectivity. A rear-view camera, with the video output on the audio system's screen, is also on offer.

Additional interior updates include a three-spoke black leather-wrapped steering wheel, oyster leather seat covers and beige floor mats. The 2012 Cedia comes with 12-spoke alloy wheels, halogen headlamps and a horizontal-slat matte-black grille. However, the engine, a 113bhp 2.0-litre petrol, remains unchanged.

The 2012 Cedia is priced at Rs 8.90 lakh (ex-showroom, Delhi).
